YOUR TRAINERS/ ASSESSORS

The courses at NBIA are taught by experts who are highly skilled in their chosen fields. They each provide unique perspectives on the core competencies and bring years of practical experience to the training which truly brings the theory to life.

Key Conveyancing Assessors are:

Fiona Jelley:

Holds a Bachelor of Law, Master of Business and Technology, and Adv. Diploma in Conveyancing. Qualified Trainer and Assessor. Owns and operates a successful Conveyancing firm, bringing valuable business experience.

Paul Ryan:

Former Lawyer specialising in Conveyancing and Probate. Over 20 years of experience training and assessing conveyancing and legal practice students. Current AIC Member in Victoria.

Our team is composed of experienced professionals with diverse backgrounds, ensuring a comprehensive and enriching learning experience for our students.

WHAT YOU NEED TO KNOW

Is there any recognition of prior learning or credit transfer?

The NBIA assessment system includes the evaluation and recognition of existing skills. We appreciate that some students come to a course with prior knowledge or qualifications and are simply looking to 'top up' their competence rather than complete the entire skillset again. Our Recognition of Prior Learning (RPL) and/ or Credit Transfer (CT) process assesses an individual's non-formal and informal learning to determine the extent to which that individual has achieved the required learning or competency outcomes. All students can apply for RPL. For more information on RPL and any associated fees, please speak with one of our enrolments officers.

What learning materials are included?

Upon enrolment, students receive access to our aXcelerate Learning Portal, which includes E-Learning manuals, webinars, case studies, useful links to additional reading, assessments and drop in session.

What will I need to provide myself?

Each student requires access to a computer and reliable internet connection, Microsoft Office online programs such as Word, Excel, PowerPoint and Teams, a webcam or video camera (Smart phone), to complete roleplays.

How can I pay for the course?

We want everyone to access education so we make it as affordable and accessible as possible. For this reason, we offer interest-free payment plans so you can get started sooner. You may choose one of the following three options:

- **Interest Free Payment Plan** - Interest Free Payment plans are available to students completing a course with a duration of at least 12 months. An initial payment of \$1500 is required upfront and is non-refundable. The remaining payments will be deducted from your bank account once per month, for the remainder of the course duration, in equal instalments.
- **Credit Card Payments** - Students can pay in full for their course using a valid credit card. Please note:
All short courses, with fees less than \$1500, are payable in full on enrolment. (Credit card fees may apply.)
- **Bank Transfer / EFT** - Students can complete a bank transfer to pay for their course in full. The NBIA bank details are on the Tax Invoice. Include your full name and course in the description. Please email info@nbia.edu.au with a screenshot of the completed bank transfer for faster processing of your enrolment.

PRACTICAL TRAINING

At NBIA, we understand the importance of practical experience in preparing our students for successful careers in the conveyancing field. That is why our Advanced Diploma of Conveyancing program offers students exclusive access to PEXA and LEAP, two of the industry's leading platforms.

PEXA

Real word experience: students learn to navigate and use PEXA for electronic conveyancing transactions, preparing them for the digital future of property settlements.

LEAP

Industry specific skills: by working with LEAP, students develop valuable skills in legal practice management, document automation, and client communication, essential for managing conveyancing files efficiently.

- Expert guidance: our experienced trainers provide step-by-step guidance, ensuring students gain a thorough understanding of these platforms and their applications in day-to-day conveyancing work.
- Simulated government: training includes real-life scenarios in a simulated environment, allowing students to practice and build confidence before entering the workforce.

INDUSTRY CONNECTIONS

At NBIA, we believe that building professional networks is crucial for a successful career in conveyancing. That is why we connect our students with the Australian Institute of Conveyancing (AIC) in Victoria, New South Wales and South Australia offering unparalleled opportunities to engage with industry professionals and enhance their learning experience

- Student Discounted membership

- FREE membership for NBIA students

- Student Discounted membership

Benefits of connecting with the AIC

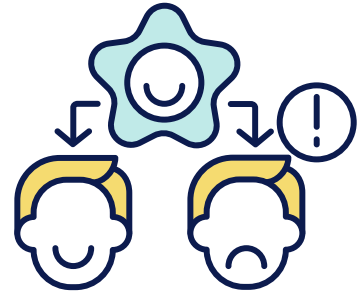

- Exclusive networking opportunities: meet and learn from experienced conveyancers, legal practitioners and industry leaders at AIC events, webinars and seminars
- Access to resources and updates: stay updated with the latest industry news, legislative changes, and best practices through AIC newsletters and publications
- Professional development: benefit from AIC's professional development programs that provide insights into advanced conveyancing practices, compliance requirements and career growth strategies
- Mentorship and support: connect with potential mentors and peers, gaining valuable advice and support as you transition from study to practice

CONNECT WITH YOUR PEERS

NBIA conveyancing students have access to a vibrant community Facebook group where they can connect with their fellow peers and make meaningful connections, share experiences and support each other through their studies. This group is the perfect place for our students to:

Network and exchange ideas

Share study tips, course materials and helpful resources

Stay updated and get the latest news on upcoming events, webinars and important announcements directly from NBIA

Engage in discussions, ask questions and collaborate on assignments or projects
